## Fine Residence for Sale

The subscribers offer for sale the residence of the late William S. Littlejohn. This property is pleasantly located on a large corner lot on Orange and Patterson streets. The lot has a frontage on Orange street of 141 1/2 feet and 100 feet on Patterson street. The house contains twelve rooms, finished in hard wood, heated with hot air and hot water, and fitted throughout with electric lights. There is also a fine gaze range in the kitchen.

There is an exceptionally good granite cellar under the whole building, with cement floor, and contains a wash room fitted with set tubs and gas heater.

There is a small barn in connection with the property and the lot is large enough so that another house could be erected if desired.

The house was built by the late owner for a home, all the work being done by the day under his own personal supervision, and only the best of materials were used in its construction.

Anyone looking for a desirable home should make it a point to see this property.
